I write to you because I am getting sicker on 12-14-06 around 10:PM I was sicker then usual and I was taken to the Infirmary. there was not a Dr on Duty to help me, so the nurse said he was going to schedule me to see the Dr the next day. on 12-15-06 A Dr told me here is a order of pain meds and will see me on monday because its almost counttime so we have to lock in, but the woner was that the nigh nurse & other said there is no pain meds, so I Had to go all weekend with nothing for or to releave the pain and till to this Day none. I went through pain and still is with no releif because no one would listen to me. on 12-16-06 I saw a Doctor name smith who took over Dr Niaz case because they give him the Boot, that is how the other Dr puted all this is where I belive they are wrong because this new Dr order all to be done over, I said I had all these test Done, I need help now, They are killing me slowly, I'm in so much pain and now they are doing all the test they done again.

Judge Farnan Please put in an order to take me to a Hospital. It will prove that I'm sicker and in need of medical Attention, now I am staying in pain even when I try to eat, I eat little because of the pain. Its cruzy how they said that they are helping me and that I am in chronic care if you can get copy of my Record from June to now it will show you that they had not seen me into now 12-14-06 that I got sicker lest time was June, If I die dont let these killer get away with killing me & other, Please get these Record dont let them know why →

because they will fix them, Please for the Love of God help
me. I am Dying I fill somethin is wrong in sild.
Thank you for all God Bless & Hoppy Holidays to all

PS. send me copy Please of my
medical Record from June to now.
